

EUROPEAN TECHNOLOGY SUMMIT

Amy De-Balsi
Founder
Herd.careers

Amy De-Balsi is the owner of Herd, a company that connects that vibrant digital community in Leeds through a bi-annual job fair and job board, www.herd.careers.

Prior to starting the company Amy worked for Sky in Leeds for 7 years delivering a range of activity from online products to major events and PR.

During her career Amy has also worked in the public sector for the Regional Development Agency, Yorkshire Forward, delivering projects to develop the digital industries.
