**Rory McHugh**

Managing Director, Head of Specialist Lenders and FinTech Solutions  
RBS

Rory McHugh heads the Structured Finance and Automated Treasury Solutions team at RBS with an extensive track record of providing clients with innovative risk management and financing solutions.

Rory is closely involved with the development of RBS' automated product offering for Financial Institutions, Specialist and Marketplace Lending, including the award-winning MicroRates platform – part of RBS' automated financing and risk management toolkit.

Rory joined RBS in 2010 and has wide-ranging experience in a range of buy-side, structuring and issuer roles across securitisation, financing and derivatives.

Prior to his current role as Managing Director at RBS, Rory was Head of Structured Finance at UK mortgage issuer Bradford and Bingley, worked in the Securitisation team at Barclays Capital and spent time on the buy side at BW Bank Ireland. Rory holds a Bachelors in International Commerce and a Masters in Finance from University College Dublin and was awarded the CFA charter in 2004.
